## A WORD FROM OUR PRINCIPAL

The term is quickly rushing to an end and it has been a pretty good one for the staff and students. There has been a lot going on (as usual) and I am sure everyone is looking forward to the Easter Holidays.

The Senior group have just returned from a 3 day camp at Feathertop Chalet in Harrietville, part of Victoria's high country. The students took part in a range of outdoor activities including archery, mountain biking, mini golf and bush walking. I am sure the staff and students had a most enjoyable time. (photo's included in this issue and on the Doxa School Facebook page).

At the end of this term we say good bye to Kylie Heasley who has been part of the Student Support team for 2 years. Kylie is heading to Launceston for a 'tree change' and I suspect a very cold winter. We wish her good luck in her new adventure. A new Student Support person will take over Kylie's role at the beginning of term 2.

A big thanks to all of the parents/guardians for attending the ILP meetings held in the past couple of weeks. These meetings help with important planning for you and your child for the remainder of their time at Doxa. Please remember you can contact Doxa staff at any time if you have any questions regarding your child.

Next term we will be another busy one for everyone. On Thursday 22nd May all students and their families will be invited to attend our family pizza night held at the school from 5.30pm to 7pm. I encourage all families to attend this social function and meet with staff and other families in an informal setting. More information will be sent home early in term 2.

On behalf of the staff I wish all our families a safe and happy Easter and school holiday break and look forward to catching up with everyone at the start of 2nd term.

John Russell  
Principal

## **National Schools Chaplaincy & Student Welfare Program**

NSCSWP – Doxa School has been fortunate in receiving funding to support our Student Support team through the National Schools Chaplaincy and Student Welfare Program (NSCSWP).

This has allowed us to employ Jacinta Quin a qualified member of our Student Support Team for extra hours to add to and enhance our student welfare services.

Jacinta's role involves her planning and participating in a range of Personal Development programs to support our students. She also works individually with students to help them manage personal issues to support them emotionally, socially and academically.

The NSCSW Program is a welcomed initiative that has enhanced and expanded the support we are able to provide for students in our school community.

If you require more information regarding the NSCWP, please contact the school office.

## **CentaCare Bendigo Counselling Services**

### **FAMILY EDUCATION SERVICES GUIDE**

The Family Education Services (FES) at CentaCare Sandhurst delivers a number of workshops and programs that provide education, support and information to parents, carers and the community. We recognize families are diverse and ever-changing and can be challenging to those within and around them.

Our groups cover a wide range of topics relating to parenting and family relationships. We offer both single session workshops and longer programs that run over a number of weeks. Attending a group can be a very positive experience. It can provide an opportunity to talk to those with similar issues,

learn more about your areas of interest, and develop new and existing skills - all in a supportive environment.

Groups are run throughout the region and can be tailored to meet your specific needs. Costs vary so please ask on enquiry.
