BUVC – Phil White Memorial Award

Supported by the Bendigo United Vehicle Club this award honours the memory of one of the club's founders, Phil White, a former trade teacher who had a soft-spot for those students who struggled at school. This award is presented to a student who is taking positive steps towards along the journey to achieving their trade qualifications and is an encouragement for them to keep working to achieve their goals.

Ken Barry Memorial Awards

Ken Barry was a former Chairperson of the Doxa Youth Foundation and a long serving Foundation Board member. He was also a wonderful man who was a supporter of our school community from its beginning in 2006. Ken passed away in November 2019 and it is an honour that our School is able to present this award. Through the generosity of the Doxa Community Club with Ken's wife Lynne's and their children's support we are able to present a scholarship award to students to support them in continuing their educational journey. Ken was a firm believer in the power of education to change lives and it is fitting that this scholarship be presented to support our young people on their educational journey.

I would like to extend a warm thank you to all our families and supporters. It has been wonderful to have had your care and kindness through what has been a tough year for all of us. I wish you all a safe, happy and holy Christmas and a great new year, and look forward to seeing you and working with you in 2021.

All the best and God's blessings from John and the Doxa School Family.
