March 2015

A WORD FROM OUR PRINCIPAL

The term is quickly rushing to an end and it has been a pretty good one for the staff and students. There has been a lot going on (as usual) and I am sure everyone is looking forward to the Easter Holidays. First week back, all students had the opportunity to take part in the orientation program. The junior class tried their hand at surfing and the senior students had a day out at the Geelong water park. Orientation days give staff and students the time to get to know one another, form new friendships and find out a bit more about what's in store for the remainder of the semester. See over the page for some photos.

At the end of this term we will be saying goodbye to Anthony White. Whitey has been part of the junior teaching team for just over 3 years. Both staff and students will miss his quirky sense of humour and we wish him, Anna, his wife and their son Teddy all the best for the future.

A big thanks to all of the parents/guardians for attending the ILP meetings held in the past couple of weeks. These meetings help with important planning for you and your child for the remainder of their time at Doxa. Please remember you can contact Doxa staff any time if you have any questions regarding your child.

Next term is set to be another busy one for all at Doxa. Senior students will resume their VET training after the holidays and look into work experience opportunities that may become available during the rest of the year. The senior class will be also be attending the Doxa Camp at Malmsbury. Our annual family dinner is planned for Tuesday 19th May. All students and their families are invited to attend. More info will be sent home closer to the date.

We are currently working on a student planner for home. It's a way to help keep students and families up to date with what's happening each week throughout the term. This should be mailed home during the holidays.

On behalf of the staff I wish all our families a safe and happy Easter and school holiday break and look forward to catching up with everyone at the start of 2nd term.

Principal

NEWS FROM THE SENIOR PROGRAM

The Senior group has had a fantastic start to the year with most ILP's now being completed and the students are, for the most part, on track with their learning.

Next term is shaping up to be a busy one. We will hit the ground running with VET classes recommencing in the first week back and our first excursion, to Loddon Prison, happening in week 2. Students will also undertake First Aid training in term two.

Work experience is a big part of the schooling for terms two, three and four in the senior program, early in the term students will be exploring where they would like to do work experience, looking at possible pathways this will bring. If you know of a workplace where it may be possible for your student to do work experience let Peter know.

We hope everyone has a safe break and we look forward to seeing everyone on the 15th.

Kyleigh, Peter and Paul

NEWS FROM THE JUNIOR PROGRAM

Students in the Junior program have had a busy start to the year. The students have been learning about community and cooperation and the importance of forming good relationships. Earlier in the term, teams took part in a competition to design and build something using mini hay bales (these were made from stacks of biscuits). The winning entry was from Ruby, Jayden and Ash. The competition was fierce and of course there can only be one winner. Congratulations to all who participated.

Thanks to all parents and carers who have attended their child's ILP in the past couple of weeks. It has been great to get to know the families of the new students and to catch up with those who have students that have continued with us again this year. If you haven't been able to make it to your appointment, please call the office to reschedule.

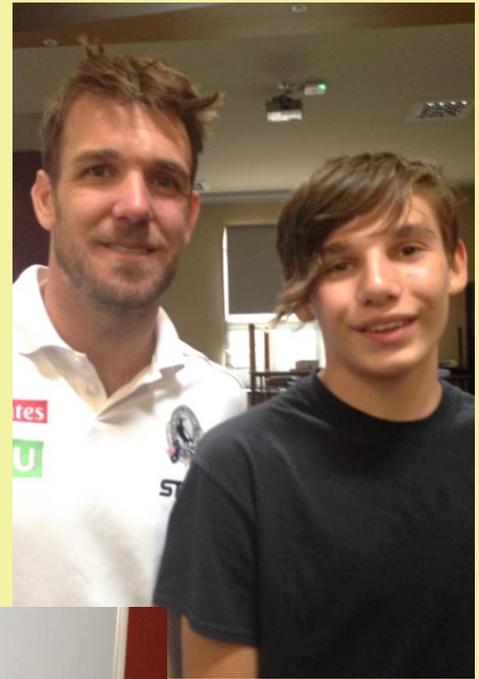

As most people are now aware, Whitey will be leaving us at the end of the term. We wish him and his family every success for the future. Next term, Vanessa, Louise and Carina will share the teaching duties for the junior program.

We hope everyone has a safe and happy Easter break and we look forward to catching up with everyone after the holidays.

Louise, Carina, Whitey & Vanessa.
