

June 2016

A WORD FROM OUR PRINCIPAL

Here it is, the end of another term at Doxa School. It has been a very long and busy one for everyone at Doxa School. I know the staff and students are looking forward to a well earned break.

A big thanks to the families who attended our Family dinner a couple of weeks back and also to the families who came along to our morning tea last week. This is a great opportunity for the VCAL students to show off their talents to their families and friends. We hope you all enjoy our dinners, morning teas and celebrations of our successes. It is important to the students that we recognise their efforts. See over the page for some photos.

Next week we say goodbye to a few students who will be returning to their schools or on to other opportunities. A BBQ lunch is planned for the students and staff to have one last get together. We hope these students and their families have enjoyed their time with us and we look forward to catching up with you all at our end of year awards night in December. Information about this will be mailed out to all families in early November.

The students have been extra busy with a senior excursion to Jurassic World in Melbourne and they also had the chance to try out their ice-skating skills. An all school excursion was organised by Vanessa to attend the stage production of Matilda. All staff and students who attended had a great time. Some photos are available on the Doxa School Facebook page. Another all school trip is being planned for term 3 where students will have the chance to watch an AFL game at Etihad Stadium and a trip to the Werribee Zoo for the Junior students is planned for the second week of term 3. More info will be available after the school holidays.

Staff will be attending compulsory Anaphylaxis training on Friday 24th June and Monday 11th July, so students last day of term 2 will be Thursday 23rd June, with all students returning to school on Tuesday 12th July.

I would like to take this opportunity to thank the students, their families and the staff for their support this term and wish everyone a safe and enjoyable winter break and look forward to seeing most of you back for the remainder of the school year.

John Russell
Principal
